Join the Plastic Free July and beyond challenge!

**CHOOSE
TO REFUSE**
SINGLE USE PLASTIC
PLASTICFREEJULY.ORG

Find out how you can go plastic free for July and beyond!

Did you know that almost every piece of plastic ever made is still around? – YES even the biodegradable plastic. It can take hundreds of years to degrade, if ever, leaving a huge impact on our environment. This is why we're inviting you to take the challenge of going plastic free this July and beyond, because positive change starts with you!

We are hosting a number of FREE information sessions at Adelaide Hills Council's Service Centres, where we will explore ways to avoid, reduce, reuse, recycle and compost items.

Find out how to make beeswax wraps and other practical, easy solutions to replace single use plastic items with reusable and more sustainable options. We invite you to share your experiences, challenges and tips with others.

Please register your attendance via Eventbrite or contact Megan at East Waste megan@eastwaste.com

Information sessions are 7pm-9pm at the following locations and dates:

Monday 1 July, Stirling Service Centre, 63 Mt Barker Road, Stirling

Thursday 1 August, Woodside Service Centre, 36 Nairne Road, Woodside

Tuesday 6 August, The Summit Community Centre, 4 The Crescent Drive, Norton Summit

Monday 12 August, Torrens Valley Community Centre, 45 Albert Street, Gumeracha

We look forward to seeing you there!
